EXPERIENCE

Jamie Kennedy Entertainment/Artist to Artist Management April 2013 – July 2013

Internship (Letter of recommendation available upon request.)

- Script coverage: covered features, TV pilots, comic books, and TV episodes/webisodes.
- I read, summarized and analyzed many scripts, looking for potential roles and great scripts to produce.
- Heavy phone work, office tasks, helped with creative projects, and proactively assisted the team.

“The Creation of Evil” June 2010

Writer/director

- This is the prequel to The Joker from “The Dark Knight” with a ‘Sin City’ visual style.
- **Awarded Aloha Accolade Award from the Honolulu Film Awards.**
- 20 minute thesis film (drama/horror)
- I wrote the script, cast actors, scouted potential shoot locations, storyboarded and shot-listed many creative shots.

Jet Propulsion Laboratories January 2011 - April 2011

Director of Documentary

- **Interview offering personal insights about the engineers who built the Mars Rover.**
- Documentary for use on JPL website.
- One of four Bachelor Degree (Filmmaking) Students selected for this project.
- I organized and directed interview with JPL engineer.

“Coke and Mirror Wars” Music Video October 2013

Producer

- **Starring Wayne Brady**
- Locked locations, crew, and equipment.

“The Adoption Exchange” September 2011

Special thanks

- **Arranged interview with Rob Roth for free.**
- I contacted my alma mater’s head branch in New York to assemble a crew of top students for free.

“Wanna Be” music video May 2011

Writer/Director

- An artist rises from dark times to become the songwriter and performer he is destined to be.
- 4 minute music video
- Collaborated with musician to help visually express his music.
- I cast actors, wrote visual script, directed project, designed set.

“Spotting Spots” September 2011

Writer/Director

- A young husky Irishman must fight to become the male model he has always dreamt of becoming.
- 15 minute thesis film (Comedy)
- I wrote the script, cast actors, scouted shoot locations, storyboarded and directed the film.
- **Featured in a special presentation at Warner Brothers Studios in Burbank, CA.**

“All-Stars” Docu-comedy Feature

Grip August 2013

- A look into the world of 10-year old girls Softball and how the parents live vicariously through their kids, in the end, ruining the fun of the game.

“Game of Love” music video June 7th - 8th 2013
Grip

“Thomas” March 3rd – 6th 2013
Grip/Electric

- A short film about a young boy who gets away with murder, but at the cost of losing his father.

“Im Not Going Anywhere” March 6th – 11th 2013
2nd Assistant Camera

- A short film about a man who deals with the lose of a loved one by creating an alternate reality where she is still alive.

“The Brazil Project” September, November 2012
Photographer

- The mission is to bring awareness to the deforestation of Brazil.

Freelance film crew positions January 2009 - Present

- Director, Writer, Producer, Assistant Director, Director of Photography, Camera Operator, Assistant Camera, Sound Mixer, Boom Operator, Gaffer, Grip and Electric.
- My duties include arranging permits, locking deal memos and making sure the day is completed on time and on budget, giving the director the creative time needed on-set.
- I am able to problem-solve creatively and communicate efficiently in an intense work environment.

MISCELLANEOUS

Rebuilding Homes in New Orleans Summer of 2008

- I spent over a month rebuilding homes and lives after Hurricane Katrina hit.
- I helped directly impact peoples’ lives.
- I participated in roofing, dry walling, framing, and deck building.

Billiards State Champion of Colorado and National Finalist 2001-2003

- I learned how to achieve my goals by focusing and working hard.

EDUCATION

New York Film Academy (L.A. Campus) Graduation Date: December 2012

- Bachelor of Fine Arts Degree (Filmmaking)
- GPA: 3.5

SKILLS

- Fluent in Swedish, English and American Sign Language.
- Very strong with Word, Excel, Power Point, Outlook, Final Draft, Final Cut Pro and Compressor.
- Great communicator, social media, social networking, creative problem solver and photographer.
